

**Ron Bendall**

How long have you lived in Roxborough Village?

- My wife and I moved to Roxborough in 2005 with our 6-month-old and 2.5-year-old daughters.

What do you love about living in Roxborough?

- I love the small-town feel, the sense of community, the proximity to various outdoor activities, and being close enough to Denver to attend a large variety of events.

What is your career or passion?

- I have spent most of my career at Lockheed-Martin and am currently a Software Engineering Manager.

What contributions would you like to make to the community?

- The village upkeep and sense of community seems to have recently suffered a little, and I would like to help solve these issues.
- I would like to make sure that all residents, no matter where they live in the community, are treated fairly.

What previous community service or volunteer experience do you have?

I served on the Roxborough Village Metropolitan District board until term limited (2012-2020), and have been on the Arrowhead Shores HOA board since 2007
