Executive Summary

As of November 30th, 2024

Summary

The district received a Property Tax and Specific Ownership Tax payment totaling \$10,701.74 in November. Key Performance Metrics

Cash Position

We are at the point in the year where cash reserves continue decreasing slightly. We can expect to see this decrease into Q1 of 2025, and increasing once the first large Property Tax distribution for 2025 is received.

Income & Expenses

Financials were prepared before receiving November's legal invoice. A place holder of \$9,000 was used and will be updated when the actual invoice is received. Landscape expenses and Parks & Open Space for 2024 now excede budget. We continue to monitor expense trends for 2024 to budget as well as in comparison to historical years.

Accounts Payable

Based on the current reporting, 40% of Accounts Payable are over 45 days past due, which is slightly down over last month. The total value of the past due bills through November are \$102,616.85. The value of the current bills are \$153,142.94. We will continue to work with the board to provide transparency on all district bills received.
